CIA IMAGERY ANALYSIS

CIA/PIR-67188

AIRCRAFT IDENTIFICATION
GOR-KIY AIRFRAME PLANT NO. 21
AND
GOR'KIY/SORMOVO AIRFIELD
USSR

Gor'kiy Airframe Plant No. 21 is located at the west edge of Gor'kiy, USSR (56 18N-44 55E). Gor'kiy/Sormovo Airfield is located 1.9 nm WSW of Airframe Plant No. 21.

No comparison of the aircraft at the airfield with aircraft in the plant area could be accomplished on [REDACTED] due to the plant area being completely cloud covered. Gor'kiy/Sormovo Airfield has photo coverage, however heavy clouds obscured part of the aircraft parking area as well as much of the rest of the airfield. The aircraft observed at the airfield could only be identified as 12 small delta wing and 26 small probable delta wing aircraft.
